Academy Council News

My name is Alesa Rahman. I am the elected Chair of Culloden Primary Academy's recently formed Academy Council. I was a parent governor for five years before we moved away from the old style of school governance. Our intention is to make the new system far more parent/carer friendly, meeting at more convenient times, discussing topics that are of real interest to you in a less formal atmosphere.

All parents/carers will be invited to attend our meetings, which will be held half-termly, and encouraged to raise any queries or concerns that you might have. We will also celebrate any successful events or achievements that have taken place in our Ofsted rated, Outstanding school. If you are unable to attend any particular meeting, please do submit suggestions that you would like raised for discussion. You can do this by writing your suggestions, ideas, concerns or questions on paper (anonymously if you so wish) and leave it at the front reception, marked for the attention of the Academy Council.

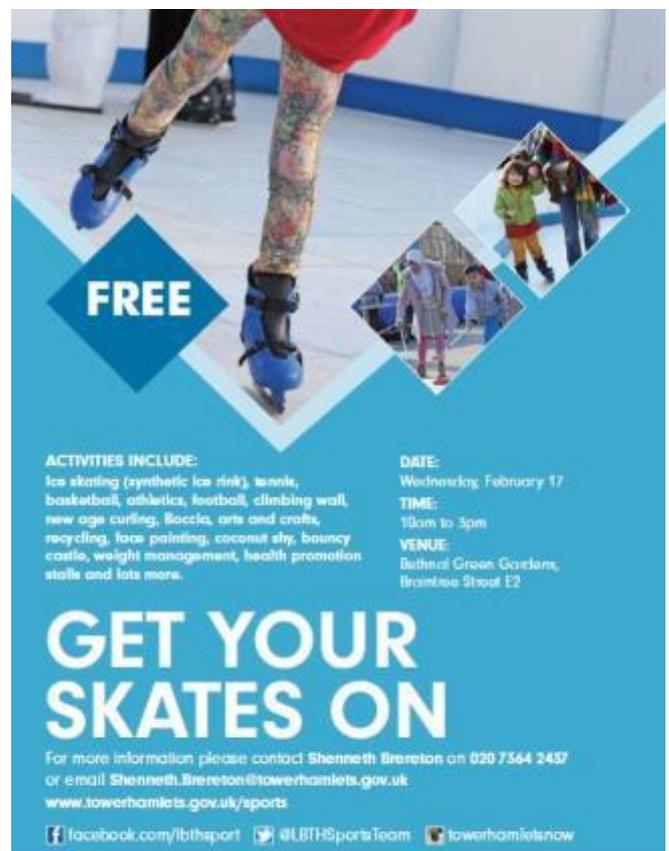

The school's Academy Council members greatly look forward to hearing what you have to say.

Young Voices

The CPA choir is taking part in Young Voices at the O2 tonight, alongside 3000 pupils from other schools. We wish them an amazing evening!

GP Workshop

On Monday 1st February, we are pleased that our local GP, Sarah Pitkanen, will be visiting school to speak to parents and carers about dealing with minor ailments and which illnesses pupils can come into school with. We would encourage all parents and carers to attend this informative and interesting workshop. The workshop will be held in the school hall from 9am – 10am.

FREE

ACTIVITIES INCLUDE:
Ice skating (synthetic ice rink), tennis, basketball, athletics, football, climbing wall, new age curling, Bocce, arts and crafts, recycling, face painting, coconut shy, bouncy castle, weight management, health promotion stalls and lots more.
