Y1 Educational Visit to Lea Valley

In Year One, we took a coach to Lee Valley where we saw many amazing animals. We watched a dog show, sheep shearing, raced against ferrets and held ferrets, made felt flowers and dragonflies and even saw sheep disco dancing! Overall, it was an incredible day where the pupils learnt about lots of different animals and plants which will help us in our science topic this year.

Punctuality and Attendance

It is very important that pupils attend school every day and **on time**. Please bring your child/ren in through the KS1/KS2 playground entrance. The gates open at 8.45am and close at 9.15am. This allows you plenty of time to bring your child/ren to school on time and exit back through the playground. Please do not use the administration office entrance unless the gates are closed. This is to ensure the safety of all pupils within the school. Thank you.

Absence Procedure

If your child is unable to attend school, please telephone the administration team before 9.00am on 020 7364 1010 to report the absence. Please ensure that medical appointments are made outside school hours.
