ANNUAL SUMMER FAIR

This year's annual summer fair will be on **Friday 6th July 2018 after school from 3.30pm**. For the fair to be a success we need lots of support from parents/ Carers. If you would like to volunteer please get in touch with Monwara or come along to next week's Coffee morning. There will also be tables available for hire from £10, if you are interested in hiring a table please leave your contact details at reception.

TROXY CONCERT 20th JULY 2018

Tickets are now available to purchase from the school office. Tickets cost £5.00. Parents/ Carers are reminded to sit in your allocated seating area which has been designed so you can see your children perform and please arrive early.

GARDENING CLUB

The Gardening Club would like to thank Lucy, Scott and Sam of Willmott Dixon Construction Ltd for donating them a Worm Farm. The Worm Farm is a fantastic way to minimise food waste by turning organic kitchen waste into nutrient-rich fertiliser for plants and soils.

PUPIL ACHIEVEMENT

Well done to Humayun (Y4) who won 2 Gold, 2 Silver and 1 Bronze for swimming all strokes at his swimming club last week.

SCIENCE MUSEUM

In May, the whole of Year 4 went on an exciting trip to the Science Museum to explore and learn about interesting new ideas. My favourite part of the trip was when we watched a 3D film in the IMAX! We were given special 3D glasses and during the movie, it felt like we could touch things from the film. I would recommend this educational place to anyone so that they can find out and explore a lot of new things.
By Kyra (Year 4 Daniel's Class)

MILE END ATHLETICS EVENT

A huge congratulation's to Nishat, Khadeeja, Tasnimah and Merdi in Year 6, and Aqib, Arafat, Timur, Fatimah, Khadija, Daud, Khadeeja and Affinity in Year 5, who took part in an athletics competition at Mile End Stadium on Monday 18th June. The pupils took part in multiple events including Running, Long Jump, High Jump and Javelin, giving a strong effort in all events. Well done to the team!

PARA SPORTS DAY

Pupils from the DSB and SEND group took part in the Para Sport Day organised by the THYSF. They have participated in the pentathlon and have made everyone at Culloden and themselves very proud. It is exciting to report that pupils from the DSB group won first place out of 7 other schools. Well done to all the pupils that participated.

EQUALITIES WEEK

Culloden School Council members had a great time during Equalities week (18th June-2nd July). They joined in with the celebration of the Representation of the People Act 1928 which gave all men and women over the age of 21 the equal right to vote. They played a 'Race to Equal Rights' board game, had some cake and spoke about what equal rights means to them.

ROAD SAFETY

We have received numerous complaints about how parent/carers drive in the roads close to the school. Please be reminded that if you must drive, please drive within the legal speed limit of 20 miles per hour and park sensibly in a designated space and not on the pavements or yellow lines; this is illegal from 8.30am until 5.30pm. Please walk to school if you can; it is good for you and your child/ren.

TWITTER

As you may already be aware, the school will be trialling the use of Twitter to share brief messages with families. We envisage that this will include announcements about events and arrangements. **The intention is that Twitter messages will be in addition to, not instead of, the regular school newsletter.** We are hopeful that Twitter will become a really positive tool to share information about the school and we welcome feedback from parents/carers as we proceed with this trial. **Twitter messages can be accessed using the Twitter handle: @CullodenPrimary**

If you have any questions or concerns, please speak to a member of the administration team.

YEAR 4, 5 & 6 RESIDENTIAL PAYMENTS

This is a reminder that there are still outstanding debts for Year 4, Y5 and Y6 Residential which need to be cleared as soon as possible. Please make payments to the school office.

YOUNG ENTERPRISE

This week Year 6 pupils participated in a project called the Young Enterprise. This provided them with an insight into how to run a business and to develop the skills that are needed to run a business. Pupils were responsible for all purchases that they made in their own time. All Year 6 pupils spent time making their products in class and sold them after school to the whole school for a profit. The sale of all products took place on Thursday 26th July 2018. Collectively, an amount of **£300** profit was generated for the day. Thank you to everyone who helped to raise this money. All proceeds will go towards a final year 6 reward for all their hard work. Thank you for supporting our Year 6 pupils.

IMPORTANT DATES

- **Monday 2nd July - EYFS Sports Day**
- **Tuesday 3rd July - KS1/2 Sports Day**
