

Thursday 19th March 2020

**Dear CPA pupils,**

As you will know by now, school is going to be closed from tomorrow for some time. We know that the news and everything you have heard about the Coronavirus is really worrying and can feel scary. This is scary for us too, nothing like this has ever happened in our lifetimes.

It might sound great to have some time off school, but it is important that you carry on with your learning at home. All of your teachers have provided you with work to do at home. You are going to have to be very independent and complete a lot of this work on your own, without teachers or other staff to help you. We are absolutely sure you will be able to do this - you are all amazing, confident and intelligent children! We have given you 2 weeks worth of homework. Please bring this back to school on Friday 3rd April. We will then give you another pack of homework for the next two weeks.

We will really miss you all and we want to make sure that each and every one of you stays safe and well. It is really important that you take care of yourselves, your families and friends.

All staff will be working while school is closed, either in the school building or working from home planning amazing lessons that will be ready for you once school opens. Take care and see you all soon.

**Ben and all the CPA staff**
