DRUMMING PERFORMANCE

On Monday 23rd March, our KS1 and KS2 pupils took part in a celebratory drumming performance to showcase all they have been learning to play this term in their instrumental lessons each week with our specialist African drumming tutor Joe Allen.

Each class performed a different piece they had devised during their lessons with Joe and the results were fantastic! All pupils played with excellent skill and concentration and it was a great thrill for them all to perform in front of the rest of the school. Well done everyone!
