

19th June 2015

GREENWICH VIST

On Saturday 13th June a group of parents and their children from the Deaf Support Base went on the Thames Clipper to Westminster then back to Greenwich. The children and parents were very excited to have the experience to travel along the river and see local landmarks. They also had the opportunity to visit the National Maritime Museum in Greenwich. Later in the day they went into Greenwich Park for a picnic.

YOUNG ENTERPRISE

Thank you to all parents/carers/pupils/staff who bought something at the Year 6 Young Enterprise event. They have made a fantastic profit of £405 which will be used towards their end of year 6 celebrations as well as being used for future year 6 pupils. Thank you all!

SWIMMING GALA 2015

On Friday 12th June groups of pupils from years 5 and 6 participated in a swimming gala competition at St George's pool. Pupils were entered for a variety of swimming strokes such as freestyle, backstroke, breaststroke, butterfly and relay. For our pupils this was their first experience of swimming competitively. It was a very competitive swimming gala; however the children did not let their nerves get to them and swam to the best of their abilities. Their behaviour was impeccable and they represented the school admirably. The children really enjoyed the experience and are looking forward to future swimming events. Well done to all the pupils that took part!

P4C (PHILOSOPHY FOR CHILDREN) MARATHON EVENT

On Tuesday three representatives from each year group went to Manorfield primary school to participate on a P4C marathon. They competed against other schools in the borough debating issues and answering questions which they previously thought of with their classes. Pupils received certificates for their participation and were judged on their collaborative skills, critical thinking, and imaginative ideas. There were two winners from our school which was for a great achievement and evidence of how well pupils are taught P4C.

Very well done to all the participants and particularly Khadeeja and Shoib who were our winners!

SPORTS DAY

On Tuesday it was Sports day for Foundation stage. The event was a great success and all pupils were active throughout the afternoon. They enjoyed a range of activities including skipping, a relay race, a potato race and even dodge ball! A big thank you to all of the parents/carers who came to support on this lovely day. It was a wonderful afternoon.

STAR PUPILS

INDEPENDENT LEARNING

Year R

- Inaaya Dingankar - For writing her own story at home.
- Ibrahim Hoque - For working really hard in a class assembly.
- Fahmida Jannath Malik - For wonderful work in the playground with the BoomWhacker musical instruments.
