Safety Poster Competition

On Monday 29th February, Lucy May from Willmott Dixon Housing came to visit us and talk to the pupils about the dangers of children entering a building site. As you may be aware, Willmott Dixon are the building contractor responsible for redeveloping the Aberfeldy Estate. In the very near future, phase 3 of the regeneration will begin and the building works will be in close proximity to the school. With this in mind, Lucy expressed the importance of "staying safe" and why building sites are a really dangerous place for children to enter. A short film was shown and the children had the opportunity to discuss the observations they had made, they also got the opportunity to meet the considerate contractors' mascot "Ivor Goodsite"

Lucy also launched a safety poster competition, children are invited to design a "site safety awareness" poster based on the information they learnt during the session. Lucy will return after the Easter holidays with prizes and certificates for the selected winners & the winning entries will be displayed on Willmott Dixons site hoarding. Submissions to be handed into class teachers after Easter break before 8th April – good luck!

Clean for the Queen

As part of the Queen's 90th birthday celebrations, our MP Jim Fitzpatrick has called for Tower Hamlets community groups to help tidy up their local area during this weekend. The school council will be deciding how we can help and Year 6 pupils will be doing a quick sweep of the school after their additional hours on Saturday.

Fit for Sport

Congratulations to all the pupils from Year 1 to Year 6 who took part in the 'Fit for Sport' programme and those who have represented the school in sport competitions. The school has been awarded the wonderful certificate to acknowledge an increased level of fitness from all pupils and also an increase in the number of competitions we have entered throughout the Borough.

Choir – Cancellation

Choir will not take place on Thursday 10th March. Please collect your children at 3.30pm from their classrooms. We apologise for any inconvenience caused.
