Dear Margaret

### Re: Culloden Primary School

I am writing in support of the parents and carers and head of Culloden Primary School to improve the safety of the children arriving and leaving school.

I understand that an application has been submitted by the school for the installation of zigzag lines and a clear "school" marking on the road outside the school as well as a speed limit sign on Dee Street reminding drivers, including those dropping off and collecting children, of the 20 mile and hour speed limit. I believe that the above would help improve the safety of all pedestrians in the area.

I understand that at present there is only one single yellow line on Dee Street.

Thank you for giving this matter your attention.

Yours sincerely
