MATHS NOTICES + BRAIN TEASER

The answer to last week's maths brain teaser was 27 triangles. Well done to all that got the answer correct! This week we had the parent's mathematics workshop. Parents from Year 1 to Year 6 attended the session. They really enjoyed the session and thought it was extremely beneficial to them. They were taught the different calculation methods the teachers use in class. Any mathematics related questions please see Abdul Gofur, Year 6 class teacher and mathematics manager.
