PREMISES MANAGER UPDATE

Bill Manley, our premises manager has decided to retire from his position. Bill made a massive contribution to Culloden over many years and will be greatly missed by parents/carers, pupils and staff. Throughout Bill's time at Culloden he consistently put the needs of the children first, taking great care and pride to ensure that they had an inspiring and safe environment in which to learn. We all wish Bill the very best for the future and look forward to the updates on his retirement.

BIKE IT CREW

This term has been a fun and exciting term filled with BIKE IT events. We had Dr Bike in and over 20 bikes were fixed by a professional mechanic free of cost. Additionally, we had the Disco Bike where children had their moment to ride the disco bike as part of the Big Pedal week reward.

The Bike IT crew has done a tremendous job in encouraging pupils to walk, ride or scoot to school and as a result we are doing very well in the league table for Tower Hamlets Borough. With just a few more days to go we are anticipating that we may be the school to win this competition.

Additionally, of all the schools in London that participated in the Road Safety Banner Competition one of our pupils Seifedein Iftene, was chosen to be the winner and was rewarded with a brand new bike.

I would like to take this opportunity to thank all the parents for their support in making these events a success.
