## GEORGE FLOYD – BLACK LIVES MATTER

## GRAB AND GO LUNCHES

Pupils at Culloden Primary have been learning about the recent incident regarding George Floyd and the global protests that have been taking place. The children were taught about the incident and given a refresher on black history. Pupils that are learning at home and in school discussed the issues surrounding the death of George Floyd, they engaged in sensitive debates and contributed some interesting thoughts and ideas.

Culloden Primary have been providing hot meals to our pupils every day. The meals are prepared fresh by our kitchen staff daily and are available to collect from the main hall from 11.45 to 12.45.

Here are some protest banners made by the year 6 pupils in school.
