RECEPTION – VIRTUAL VISIT TO THE FARM

On Wednesday, Reception Classes enjoyed a virtual visit to the farm. They watched videos, looked at pictures and discussed the animals that live on the farm. They also read the story Dear Zoo and compared what animals live in the zoo, the farm and in houses as pets. They created lions and giraffes using their handprints. They had a lot of fun making face masks and later used them for their role play.

GRAB AND GO LUNCHES

We are continuing to provide hot lunches every day for parents to collect from 11.45 – 12.45pm. Please be aware the lunch can only be provided for pupils that attend the school, only a specific number is made daily and must be available to all pupils ensuring there is no shortfall.

CORONAVIRUS UPDATE

From 1st June 2020 school has reopened to YN, YR, Y1 and Y6 and our Key Worker class. It has been heart-warming to see some of our pupils again. Since then all the staff and pupils have done an amazing job at social distancing and keeping up with hygiene.

These are unprecedented times and I appreciate that this is again challenging for pupils as well as for you all. If you have any concerns regarding supporting your child who is not in school please contact the school on 0207-364-1010 or via email: info@cullodenacademy.org

We will continue to provide as much information as we can, as soon as we can, via our website, text message and Twitter.

Thank you once again for your support in these unprecedented times and I wish you and your family well.
