Coronavirus update - School closure Monday 23rd March

Dear parents and carers,

Following the government's announcement yesterday evening that all English schools are to close at the end of this Friday 20 March, I can confirm that our school will be closed to pupils from Monday 23 March onwards. I will communicate a likely re-opening date as soon as I am in a position to do so.

These are unprecedented times and I appreciate that this will be exceptionally challenging for pupils as well as for you all. We have made preparations to ensure that learning can go on in the coming weeks - physical and digital materials will be shared with pupils today and tomorrow and arrangements will be made for materials to be collected/distributed to pupils who are already absent. Please ensure that the pupils continue to get regular exercise, time to interact safely with family and friends and stay safe online. If you have any concerns regarding supporting your child while the school is closed please contact the school on 0207-364-1022 or via email info@cullodenacademy.org

Arrangements are also being made to provide free school meals to those pupils who are eligible, and to open for pupils who are vulnerable and pupils of key workers, as defined by the government.

We will continue to provide as much information as we can, as soon as we can, via our website, text message and Twitter.

Thank you for your support in these unprecedented times and I wish you and your family well.

Yours sincerely,

Ben Carter

Principal
