

Monday 18th November 2024

Dear Parent/carer,

As of Friday 29th November, homework for Y2-Y6 will be set online via your child's Google Classroom. Y1 will continue to have worksheets sent home. Pupils in Y2-Y6 have been practising logging into their Google Classroom so that they know how to access their homework.

You will be able to access your child's homework via a range of devices; mobile phone, ipad, chromebook or computer. **You do not need to buy an additional device for your child/ren.**

Each pupil will have a homework book where they will record their homework and this will be checked each week by the class teacher or teaching assistant. Your child's log in details will be visible inside their homework book too.

Parents will be given instructions on how to access Google Classroom and your child's homework. Please support your child by helping them practise logging into their Google Classroom.

If you are unable to access your child's homework, then speak to your child's class teacher who will be able to support you.

Yours faithfully,

A handwritten signature in black ink that reads 'Tahreena'.
