

International Mother Language Day

Culloden will be celebrating International Mother Language Day on Monday 24th February 2025.

Pupils dress in their cultural clothes if they wish and donate £1 to a UNESCO charity using the MCAS app.

As part of the celebration, we would like pupils to;

EYFS & KS1- draw your favourite cultural event. This could be you celebrating something with your family.

KS2- write a poem about your culture either in English or in a different language.

2 pupils per year group will be chosen to share their outcomes in a special assembly on the day.
