Each lesson we will look at new vocabulary, read several pages of the book together as a class and answer comprehension and inference style questions associated with the text.

- Writing - We will be learning to write fiction and non-fiction text, letters, recounts, diary entries, and stories linked to shared reading texts.

- Computing - We will be learning about algorithms and programming using the programme purplemash.

- PE – We will be practising skipping and how to move the body in different ways. We will also be talking about healthy eating and why exercise is important. We have P.E specialist teachers; Akram and Sarah, who will be teaching P.E across the school. Please ensure pupils have the right equipment for P.E. sessions (tee-shirt, shorts or sports trousers, trainers, socks).

Our P.E will be on **Tuesday** (Shanjidah) and **Thursday** (Morgan and Jubeda).

- PSHE – The year will begin with pupils getting to know each other and the Year 2 staff. The following two topics that we will be learning through our Jigsaw programme will be Being Me and Celebrating Differences.
- Music – We have specialist music teachers who will be teaching Year 2 throughout the year.
- Spanish – We have a specialist Spanish teacher; Cristina, who will be teaching Year 2 this term for 30 minutes per week.

This is a reminder that pupils are given homework every Friday and it is expected back on the following Monday. Homework will consist of previous taught topics, focusing on maths, writing, reading and spelling. It is expected that your child/ren read for 15 minutes every day and that their reading record is **signed and dated** everyday by an adult.

Lastly a warm welcome to the staff in Year 2, Pat and Maisha (Year 2 TAs), Saleka and Ifeoma (SEND TAs).

Yours sincerely
