

1E Class Newsletter

Friday 24th October 2025

UPDATE

Dear Parent/Carers,

It is the end of half term and we would like to really showcase and celebrate the fantastic learning of the children. You will receive a fortnightly newsletter including highlights, news and reminders to share which will keep you updated and well informed.

We have had an extremely positive start to the year and the team are so proud of how well the children have transitioned into their new environment. The children have learned to settle really well into their routines. Well done all! :)

I hope the children stay safe and have a restful break. I look forward to welcoming you again on **Monday 4th November 2025**. - Samira :)

SCHOOL LEARNING

In our talk through stories sessions, the children have been reading garden themed books and did such a fantastic job being little gardeners as part of their focus topic too! Here are some of the wonderful pictures of the children planting their seeds before and after!

The children have been learning their number bonds to 5 and some children even managed to practise up to 6, 7 and 8! Well done children for challenging and pushing yourselves. The children also have been practising exploring number and counting numbers from 1-5 or 1-10.

SCHOOL LEARNING

In Samira's Class, speech and language strategies are widely implemented into our activities. Your children receive a large number of Speech and Language support and all our teachers and support staff are fully trained! We have bucket group timetabled in our daily routine which has been a huge success. Bucket group allows children to practice turn taking, participating in activities and engage in exciting and motivating activities! Here are some pictures of the children completing some stage 4 activities. If you would like to know more about bucket group please see the link to find out more; <https://attentionautism.co.uk/>

As part of the children's speech therapy and fine motor skills, the children have weekly access to a programme that is also linked to colourful semantics i.e who, what, doing - the children learn this as well as expand their vocabulary with verbs and link through practical experiences. We practised spreading butter and jam this term. Here are some pictures of the children 'spreading' and making (and eating) their lovely jam sandwiches!

ACHIEVEMENTS

Well done to Ayaan for a positive transition into Morgan's class!

Well done to Imaan for coming to school and doing some fantastic learning!

Thank you to all parents and carers for your continued support. Home school partnership is key and I look forward to continuing next term.

Important reminders!

Autumn 2 School Closure: Monday 24th November 2025

Homework books and **reading books** must be brought into school and returned before receiving a new book or the most recent homework pack.

In Autumn 2 P.E will now be on **Monday 9.00-9.30am.**

New dates for school trips will be released after half-term. The parents who will need to attend school trips will be contacted, if you have not been contacted please assume your child will manage on school trips independently. Thank you for your support.
