Year 3-6 Intervention Class - Autumn 1 Highlights

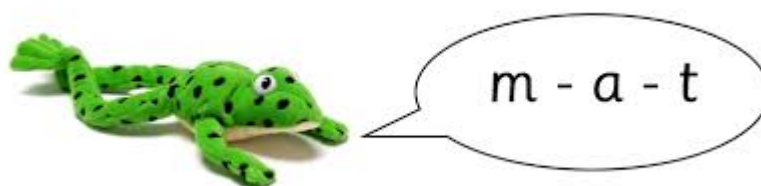

A warm welcome to all parents and carers. I would like to express how excited we are to share all the hard work and progress the children have shown this half term with our very first newsletter. This newsletter is our way of celebrating their achievements from the big breakthroughs to small, daily wins. I strongly encourage you to celebrate this at home too.

What we've been working on: This term we have focused on reading for pleasure and the children have loved visiting our Culloden Library and the Idea Store Library to experience this firsthand.

The children have shown a huge boost in their joy of reading since the visits. Now, they are more interested in picking their own stories, especially their favourite 'We're Going on a Bear Hunt!' They are discovering that reading can be a fun adventure when you read with feeling. This is a tremendous step in helping them become lifelong readers.

Home Connection: You can help keep this excitement going by listening to your child read at home. Please play the 'special friends' game and ask them how **Fred** would spell some of the words. Thank you for your support and happy reading!

Achievements:

I am proud of **Ali-Ayoub** because he can now login to the chromebook independently.
Good job Ali-Ayoub!

I am proud of **Abdullah** because he has worked really hard to earn 100% when learning in class.
Great job Abdullah!
