## Nursery

What an extraordinary and rewarding term it has been in Nursery! We are incredibly proud of all our nursery pupils this term. It's been absolutely amazing to watch them settle in, grow so much more independent, and just dive headfirst into all the activities we've had planned. Every day brings a new little milestone!

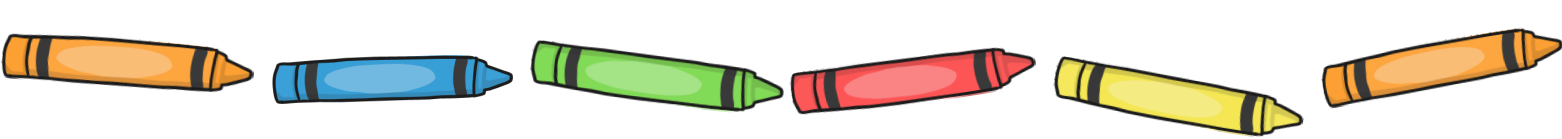

This term, our topic was 'Celebrations,' and we had so much fun with it! We explored different cultures and festivals from all over the world. But really, the best part was seeing the children learn to celebrate each other—recognizing their friends' successes and learning to cheer for their own little victories.

The run-up to the Winter Concert was a huge focus, and I have to say, they were true little superstars! They performed wonderfully for you all, and their hard work really shone through. It was such a special time.

We also had a huge "first" this term—our very first educational visit! We took the children to the local library, and they absolutely loved it. Seeing their faces light up while exploring all the books and listening to the stories was priceless. They were so well-behaved and truly embraced the adventure!

It's been a busy but truly unforgettable term. We're all so excited to see what the New Year brings!

## Reception

What an extraordinary and rewarding term it has been in Reception! We are incredibly proud of all our pupils for the enthusiasm and energy they have brought to their learning every single day. It has been amazing to watch them settle into school life, develop their independence, and truly embrace all the exciting activities we have had planned.

This term, our learning journey took us through a series of significant events and celebrations. We marked and learned about Diwali, Hanukkah, Remembrance Day, and Black History Month (focusing on Rosa Parks). The children showed great curiosity and respect for these different cultures and histories.

The children were true little superstars during the Winter Concert! They worked incredibly hard to memorize and deliver their lines, and their performance shone brightly for you all.

Academically, the children have made great strides. In Maths, they focused on the foundations of adding and subtracting. In Phonics, they have been learning new sounds and mastering CVC words. Their creative side has also flourished in their artwork and imaginative play.

It's been a busy but truly unforgettable term. We look forward to welcoming the children back in the New Year for more exciting adventures!
