## Newsletter

### Dear Parents/Carers,

As we approach the end of a busy and productive term, I would like to thank you for your continued support throughout the autumn months. It has been a pleasure to see the children embracing their learning with enthusiasm and growing in confidence as the weeks have progressed. With the winter season upon us, the school is filled with excitement, creativity and a wonderful sense of community.

This term has been particularly special, with **Art Week** filling the school with colour, imagination and inspiring creativity.

We are also proud of the progress children have made through our targeted **interventions**, which continue to support learning and ensure every child can flourish.. Here are some of the highlights from the term

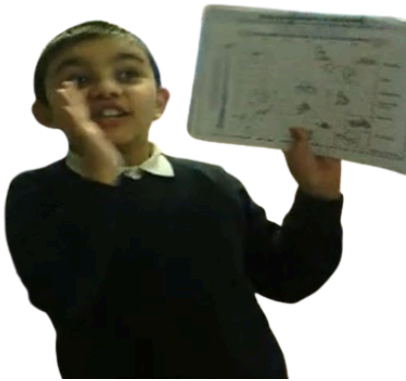

All the DSB children thoroughly enjoyed working with their mainstream class friends during art week and produced some amazing art work.

Friendship Club has been working on the BSL lessons that Michael left for us to do in his absence. We enjoyed practising our BSL and all the fun learning activities.

During Friendship Club we have also been learning and meaning and practising how to sign new topic vocabulary.

We have also continued improving our personal understanding of our Deafness (PUDS) by placing different sounds like loud airplanes and quiet whispers on an audiogram.

As we prepare to break for the holidays, I would like to thank you once again for your continued support and partnership throughout the term. We are incredibly proud of all that the children have achieved and look forward to welcoming them back, refreshed and ready for the new term ahead. Wishing you and your families a peaceful, joyful and restful holiday season.

## Important Dates
