

Pupil Survey Results

We are pleased to share the results of our recent **Pupil Experience Survey** conducted in February 2026. With 506 pupils participating—an impressive 89% response rate—we have gained valuable insights into how our children feel about life at Culloden Primary Academy. Overall, the feedback is very encouraging, with **77% of pupils reporting that they are happy at this school.**

Our greatest strengths lie in the safety and conduct of our school community. We are incredibly proud of the following results:

Strengths: top three results

Weaknesses: bottom three results
