UPDATE

Dear Parents and Carers,

As we wrap up the Summer 1 term, I wanted to take a moment to celebrate everything the children have achieved so far. While we only have one half-term left, it is certainly going to be a busy one! We still have so many exciting experiences planned and plenty of learning yet to be done before the school year draws to a close.

We would like to extend a huge thank you to all our parents for being so proactive and involved in your children's learning journeys. Your support makes a world of difference. Wishing you all a safe and fabulous half-term break!

Warm regards,

Samira

This term, our classroom was buzzing with excitement as the children dived into the world of currency! To get a feel for the physical properties of money, the children enjoyed coin rubbing, using crayons to reveal the intricate designs of a coin. We then took it a step further by ordering coins based on their physical size and identified the value.

The children had an absolute blast celebrating Culture Day! Our chosen country was Kenya, and the children really enjoyed getting creative as they designed and crafted their very own traditional Maasai necklaces. They worked so hard on their outfits, and it was wonderful to see them wear their creations with such pride.

Our **SEND Family Fun Day** was a resounding success! A huge thank you to all the parents who attended and helped make the event so special. It was wonderful to see the children enjoying quality time with their families and engaging so enthusiastically in the fun activities we had set up. We truly appreciate your involvement; your presence is what made the day such a triumph!

Botanical Artists at Canary Wharf

The absolute highlight of our term was our educational visit to the Canary Wharf Roof Gardens. I was bursting with pride at how exceptionally well-behaved the children were while traveling on the DLR; they were a true credit to the school. Once we arrived, the children showed incredible focus as they explored the garden carefully sketching the tropical plants. Their attention to detail while drawing the exotic leaves and textures was truly impressive!

Our Zoo Animals topic has been a roaring success! We had a fantastic time creating animal pictures during our Bucket Group sessions. The clear favorite was definitely making handprint tigers. The children had a blast getting messy, but the real magic happened when they mixed their own orange paint to get the perfect tiger shade. It was wonderful to see their creativity (and their newly mixed colors!) flowing so freely.

ACHIEVEMENTS

Well done to **Tanzina** for successfully transitioning from home into school calmly, focusing on independent learning and making good choices.

Well done to **Zarif** for following instructions from Rumi this week and doing your best to come to school even though you were unwell. We are glad that you are feeling better!

Important reminders!

Summer 2 - Toilet training: Our staff will support parents to toilet train **specific pupils**- parents will be contacted and details/dates to be confirmed.

Summer 2 Educational Visit : Trips to be confirmed.

Homework books and **reading books** must be brought into school and returned before receiving a new book or the most recent homework pack.

Summer 2 P.E; Wednesday 9.00-9.30am to continue (with Sarah).

Please note:

As previously mentioned, the parents who will need to attend school trips will be contacted, if you have not been contacted please assume your child will manage on school trips independently. Thank you for your support.
