

1E Class Newsletter

Tuesday 21st July 2026

UPDATE

Dear Parents and Carers,

As we reach the very end of the Summer 2 term, I wanted to take a moment to celebrate everything the children have achieved over this incredible school year. They have grown so much, and you should all be immensely proud of them.

This is a particularly bittersweet moment for me, as this is my final newsletter before I leave Culloden Primary Academy, to pursue an exciting new role as a SENCo in Qatar. It has been an absolute privilege working with your wonderful children and being part of this fantastic school community. I will miss everyone dearly.

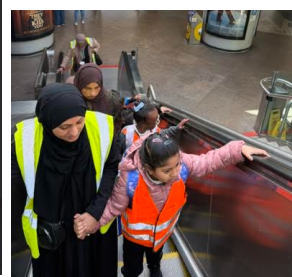

We would like to extend a huge thank you to all our parents for being so proactive, supportive, and involved in your children's learning journeys this year. Your partnership makes a world of difference.

Wishing you all a safe, happy, and wonderful summer holiday!

Warm regards,

Samira

Memories!

We have had a splashing good time finishing up our "Under the Sea" topic this term! The children have absolutely loved exploring all things water, and they put their creative skills to the test to make this stunning *Rainbow Fish* collage. Ayra also used a fantastic method by scrunching up the tissue paper to add texture!

The Baklava Company and Park trip

🍩 A Sweet End to an Amazing Year! 🌳☀️

Our students had the absolute best time visiting the bakery for some well-deserved, tasty treats to celebrate the end of a very hardworking year! The fun continued with a lovely lunch in the sunshine at the park, where the children got to run around, play, and enjoy some fresh air together.

But the celebrating didn't stop there! We also want to say a massive **THANK YOU** to our wonderful parents. Your hard work, dedication, and endless contributions have played a huge part in making this year such a massive success for our children. We couldn't have done it without our amazing school community.

Here's to a sweet and successful year! 🎉🌟

It is important that you know which class your child will be in next year as there are some children transitioning from the Year 1-2 intervention class who will be taught by Shopna in the Year 3-6 intervention class.

In September, some children will be taught by new class teacher Lina, who will teach the Year 1-2 Intervention class.

All children will receive transition books to clarify details of their teachers and new classes.

ACHIEVEMENTS

Well done to **Imaan** for making fantastic progress in phonics sessions, and congratulations; you have been nominated to attend Afternoon tea with Tahreena in Al Mari Cafe.

Well done to **Inaaya** for donating your toys to school and allowing the children to play and share even though were yours, we are proud of you.

Important reminders!

Toilet training: Please attempt toilet training over the holidays!

Homework books and **reading books** must be brought into school and returned before receiving a new book or the most recent homework pack.

Please note: **Please read** the transition books and feel free to speak to Samira, Shopna, or Charlotte about the details or any questions you may have.
