

Date: Friday 11th September

Key Information Sheet: Autumn 1 **Class:** Nursery

Roles	Name
Class Teacher	Catherine Nankya
Support staff	Rubina (M,T) Saleka (W) Syeda- M-F Maisha- M-F

Our topic this term is 'Marvellous Me!'. Our main focus is to settle the pupils into nursery and for them to become familiar with the daily routine. We would like the pupils to be comfortable with their learning environment, develop their confidence to become independent learners and form friendships in secure surroundings.

We will also be teaching the children to develop their counting, reading, listening and speaking skills through teacher led activities and in their independent activities. Your help in supporting your child in these areas of their learning when at home will be very much appreciated.

Nuffield Early Language Intervention (NELI) Neli is a programme we will be following that helps support pupils' vocabulary, reading and language. We shall be reading a range of text Next half term,

Phonics: We follow the Read Write Inc programme. In nursery pupils will be identifying and practising pictures on the sound card.

Maths: Pupils will be Rotate counting and singing Number rhymes.

Music: We have a specialised teacher that will be teaching music lessons in nursery once a week.

Yours Sincerely,

Nursery Team
