

Friday 4th September 2026

Key Information Sheet: Autumn 1 **Year Group: Year 4**

Roles	Name
Class Teachers	Sammah Shariff Kavitha Nicholas-Raymond (LKS2 Assistant Principal) Farjana Aktar (Mon-Tues) Samira Ezzouek (Weds-Fri)
Support staff	Mahbuba Sultana

P.E- Please see below PE schedule:

4I (Sammah's Class): Tuesday pm

4C (Kavitha's Class): Friday pm

4E (Farjana & Samira's Class): Thursday pm

Please ensure pupils bring in both PE kit and full school uniform on their PE days.

Shared reading: This term we are reading *Emil and the Detectives*, and *The Tempest*. Each lesson we look at new vocabulary, read several pages of the book together as a class and answer comprehension and inference style questions associated with the text.

Writing: This term we will have a focus on poetry in our Literacy and writing lessons. The pupils will study a range of types of poetry and create their own poems surrounding different themes, including their own identities.

Maths: We shall begin by reintroducing 3 digit numbers, then move onto 4 digit numbers, looking at the value of each digit using physical manipulatives to facilitate this learning. Following this, the class will then attempt adding and subtracting using the column method, and focus on multiplication and division.

Science: We shall be looking at Living things, their habitats and classification. We will also be basing some non-fiction writing around some of these topics.

Humanities: The first half term will see the classes learn about the Romans, specifically what the UK was like before, during and after the Roman invasion and who revolted against them.

Computing: The children are learning to be programmers and create their own games using coding strategies taught by their specialist computing teacher, **Paul Greengrass**.

Spanish: The children will receive 45 minute lessons each week of Spanish with their specialist teacher, **Maggie Allen**.

PSHE: The first topic this half term will be 'Being me' which will focus on confidence and appreciation of themselves and others. These lessons are designed to help pupils develop their emotional and social skills.

Music: Specialist music teachers (**Carys and Karen**) will teach the pupils Music at various times throughout the week.

Homework: Homework will be given online every Friday. Pupils will need to complete this in their homework books and bring it back in by the following **Wednesday**. Pupils in Year 4 are also expected to practice with TTRS every day for 15 minutes. It is particularly important children practice as they undertake a government Multiplication Check test in the Summer term.

Pupils **must read everyday for a minimum of 15 minutes** with a small summary of what they have read in their reading records each day.

Reading Plus: Children will be completing one hour per week of Reading Plus. This is an online resource which helps to monitor and challenge children to develop their reading and vocabulary skills.
